

# Equality, Diversity, Inclusion and Accessibility Policy

## Statement

Thameside (Wallingford) u3a is a learning co-operative and membership charity which enables members in their third age to share educational, creative and leisure activities. Members of each u3a draw upon their knowledge, skills and experience to teach and learn from each other (peer to peer learning). Thameside (Wallingford) u3a recognise that some people are particularly likely to experience discrimination and harassment and are committed to making sure that the u3a is as inclusive and welcoming as possible.

## Aims of this policy

This policy has been drawn up to comply with the Equality Act 2010. The Act stipulates that organisations cannot treat someone unfairly on the basis of what it calls 'protected characteristics', which are:

- ethnic origin, nationality (or statelessness) or race
- age
- disability
- religion or belief (including the absence of belief)
- marital or civil partnership status
- sexual orientation
- pregnancy
- gender reassignment
- political belief

Thameside (Wallingford) u3a will strive to ensure that members do not experience discrimination based on their protected characteristics. This will include ensuring equal access to groups and behaviour between members and by Thameside (Wallingford) u3a Committee Members and group leaders. The Equality Act highlights that organisations need to consider what reasonable adjustments can be made to accommodate those who may have particular needs. Thameside (Wallingford) u3a Committee will review the reasonable adjustments needed for all members and individual members with particular needs on an ongoing basis. Where necessary, the Committee will seek guidance and additional support from the u3aPlus sub-committee and/or National Office.

## Practical approaches to inclusion

Thameside (Wallingford) u3a will make sure all new members are aware of our policies and procedures in relation to equality, diversity, inclusion and accessibility as well as the Member Code of Conduct. Thameside (Wallingford) u3a will make reasonable adjustments and take practical steps to ensure a wide range of people can participate in our activities and meetings. This may include:

- **Consideration given to the time of day of meetings and their location**
- **Consideration of venues for meetings including:**
  - Accessible to wheelchair users
  - Access to PA system and a hearing loop
  - Parking and disabled parking availability
  - Disabled toilet facilities available
- **Consideration of transport for outings**
  - Coaches with toilets are used for all outings
  - Where possible coaches to have wheelchair accessibility
  - A carer is welcome to drive a member to an outing instead of using the coach
- **Publicity:**
  - Using a variety of methods and platforms to communicate externally and raise the profile of the u3a.
  - Make communications available to those who don't have access to the internet
  - Use a range of images that reflect the local community
- **Recruiting new members:**
  - Doing outreach sessions and contacting agencies working with community groups who may be harder to reach
  - Encouraging members who are representative of the groups who are underrepresented within the u3a e.g. men or younger members to assist with the recruitment process
  - Managing growth so that we ensure that new members can be accommodated

- **Monitoring:**

- Thameside (Wallingford) u3a will monitor the numbers of members who join, re-join and leave each year in order to identify any trends in membership.

- **Tasks and Roles:**

- Ensure a range of people get their voices heard by encouraging more members to take on roles such as leading groups.
- The u3a has appointed an Accessibility and Inclusivity Officer whose role it will be to ensure that both new and existing members can access the members meetings and groups that they would like to join and consider what reasonable adjustments may be needed to ensure this.
- The Groups Coordinator will ensure that new Group Leaders are made aware of issues in relation to accessibility and what steps they may need to take in meeting access requirements. Each group will be reviewed on an individual basis as certain groups may require a certain level of fitness or mobility and members need to be made aware of this in advance.

- **Carers and non u3a members:**

- If a Carer is attending is doing so in the capacity of a carer but NOT taking part in a u3a activity they do not need be a u3a member as they will be considered an “extension” of the member.
- If the carer is providing support and also taking part in the u3a activity as an individual they will need to be a u3a member e.g. attending an outing.
- If a member requires a professional carer they will need to be covered by their own insurance not the u3a. The u3a is not liable for any incidents that occur as a result of a professional carer’s actions.
- Non u3a members including a friend or spouse are not insured by the u3a for attending a speaker meeting, interest group or outing unless they are genuinely thinking of joining the u3a.

## Insurance

Public Liability Insurance is intended to indemnify the insured against compensation, where they become liable to pay, following injury or property damaged sustained to others as a result of an activity.

Legal Liability to another person can arise in a number of ways but by far the most common is negligence.

Public Liability does not cover pure accidents where no legal liability has been established.

## Code of Conduct

Thameside (Wallingford) u3a has a member code of conduct. The code of conduct outlines that members should abide by the u3a's policies and procedures as well as treating each other with dignity and respect. This would include not acting in a way that would be deemed discriminatory or offensive.

## Dealing with discrimination and harassment

Where Thameside (Wallingford) u3a Committee become aware of any discriminatory practice or harassment, the committee will seek to address this through consultation with all parties concerned and, where necessary, through invoking formal procedures.

If any member of Thameside (Wallingford) u3a feels they have experienced or witnessed discriminatory behaviour or harassment, this should be reported to the Committee. Any matters of concern will be reviewed by the Committee and a decision will be made, in line with the u3as constitution and formal procedures, as to what steps will be taken to address the issue.

## Definitions

**Equality** is about ensuring that every individual has an equal opportunity to make the most of their lives and talents and believing that no one should have poorer life chances because of where, when or whom they were born, or because of other characteristics. Promoting equality is about behaving in a way that tackles inequalities, aiming to ensure that all members are treated fairly, and do not experience discrimination.

**Promoting diversity** is about recognising that everyone is different and creating an environment that values members and ensuring that the u3a Movement is as accessible as possible to different groups within the community.

**Inclusion** is about positively striving to meet the needs of different people and taking practical steps to ensure members feel respected.

**Direct Discrimination** is when a person is treated less favourably because of their ethnic origin, nationality (or statelessness) or race, age, disability, religion or belief (including the absence of belief), marital or civil partnership status, sexual orientation, pregnancy, gender reassignment, political belief.

**Indirect Discrimination** occurs when a condition or requirement is applied equally to all groups of people but has a disproportionately adverse effect on one particular group.

**Harassment** is unwanted conduct related to 'protected characteristics' that has the purpose or effect of violating a member's dignity, or creating an intimidating, hostile, degrading, humiliating or offensive environment. Harassment is also unwanted conduct of a sexual nature which has that same purpose or effect.

**Victimisation** occurs when a member is treated less favourably than others in the same circumstances because he or she has made a complaint or an allegation of discrimination, harassment or bullying or given information regarding such a complaint or allegation.
